**ABOUT US**

From an idea of Luca Bellini; LB9 Brand was born, a successful innovative start up in the field of technical sportswear for outdoor water sports, aimed at the canoeing Kayak sector, based on twenty years of experience.

Our products represent the union between design and functionality. Designed to the minimum detail thanks to the multiple years of experience of our creative team. The input provided by athletes and world-famous canoeists have allowed us to develop a collection of high-tech garments and accessories to meet the needs of kayaking.
